Mr. Thos. T. Wilson,
84 Clairborne St.,
Nashville, Tenn.

Dear Sir:

On our schedule we have a game with Baltimore at Newark on Saturday, May 20th. I am playing the Cuban Stars in Trenton this Saturday, the 13th, and if we do any good we will play you there the next Saturday, the 20th. I will let you know as soon as the game is over.

I will take this opportunity to remind you that the League fee for May should be in the Treasurer's office by the 10th, I am going to drop a line to each Member to this effect.

I am also writing Gottlieb to day to ask him as Secretary to send notice to all Members to phone in results of each game right away it played. Each home team can in turn call Gottlieb's office and get results of all games for his local Papers. If it will not be convenient for Gottlieb to receive this news on Sunday, due to the fact that his office is closed, I have a plan whereby each Team will wire the results to me in Newark to my office, I will have some one in the office each Sunday Night from 9 to 10 to answer the phone until all League Members have called for that information. It does seem to me that this is very simple and will be priceless so far as publicity is concerned. It is a shame none of the League Members except the Pittsburgh Club know how the Teams made out until the Courier comes out the week following.

I wished you, as Chairman, would order the Teams do this and stipulate a fine for the first one who fails to do so.

I see by the Courier the player situation has apparently been straightened out. I am certainly glad. Please let me hear from you about this publicity angle.

Yours very truly,
